Fun night poolside-with a five-minute water aerobics warm up before the main events. We had a non-member join us for the 50m and 25m and was time trialled. We do hope that you return.

Sue had a great night-winning her heats of the 50m and 25m and being a member of the winning relay team-keep going Sue

Elizabeth and I took out the nightly point score on 25points. Karla captained the winning relay team of Sue and John Maraz. Two breaks on the night -Anthony and Ian both in the form stroke

Thanks to all who timed, judged and started the races on the night

Take care all-I will return on the 15th August-Bernadette will be in the acting positions during my absence-thanks Bernadette

Until then

Lynda
