Hey Swimmers! Happy Saturday!

Another fantastic and competitive swim night on Thursday at the Seals. We welcomed our new members, Rodney and Eddie Williamson and hopefully Natalie next week. Our swimming club is definitely growing in numbers, with 39 members all up, we haven't had that many in ages. Just on Thurs night we had 31 members show up.

In the 50m surprisingly we had no breaks or re-handicaps, but we may have a few foxes on our hands, so watch out everyone, these are the smart cookies that rarely get caught. The 25m and 100m had a few breaks and RHC, which means people are still improving their swimming, which is a good and bad thing. Now the relay, before we even dived into the water their was a bit of confusion on the blocks, particularly one team who were standing in the wrong lane, but once we got under way it was John Maraz's team that took out the win woo!

Congratulations to Anita and Cherie who won the nightly point score on 26 points.

Some of the lady's were extra lucky that night, they got to have another swim, but it wasn't in the pool HaHa, I think it needs cleaning more regularly.

The food was just as delicious downstairs as it normally is, it was gone in a flash even though we ordered extra. Well done to the raffle and random heat selection winners, enjoy your meat and vouchers.

Don't forget we have the souths swim night at the seals this coming Thursday. Please bring in a donation for the raffle. Be at the pool no later than 6:30pm to put your name down. Costs is \$10 pp and includes food after the swim.
