Hey everyone! Welcome to the 2020 season of the Maroubra Indoor Swimming Club! I'm excited to be writing up the newsletter each week! We welcome our new member, Polly Smith and welcome back Michael Crean and Elaine Tsang.

We had a great first swim night, with nearly 20 swimmers. We have a new fish in town, Lynda, who got 2 big wins and a second and therefore won the nightly pointscore alongside Bernadette. I'm not sure what Ian has been eating, but he swam so fast and broke 3 times! It was a close race in the relay, between Paul's and Brian's teams, but well done to Paul's, who just touched the other team out. Nevertheless, cheers to all the swimmers, who swam their best.

Another reminder about arriving before 7:15pm. Please contact John or Ian, if you are going to be late. The reason for this is so we can start on time and maybe finish earlier, to give the handicappers enough time to write the results up. **Don't forget to sign up or renew your membership to the Seals if you haven't done so.**

See you next Thursday,

Karla 😊
