Children at Maroubra Seals

We're proud to be a **family-friendly destination** and love welcoming children of all ages. To help keep the Club safe, comfortable, and enjoyable for everyone, we ask families to follow a few simple guidelines.

Supervision

- Children under 18 must always be with a **responsible adult** while in the Club.
- A responsible adult can be:
    - A parent, step-parent or guardian
    - The child's spouse or de facto partner
    - An adult caring for the child at the time

Where Kids Are Welcome

- Children are welcome in the **Main Lounge** and **Brasserie**.
- They can also attend private functions in other areas (like The Boardroom Bar) if they're with a responsible adult and use the most direct route.

Time Guidelines

- Kids can enjoy the Brasserie right up until **30 minutes before it closes** for lunch and dinner.
- All children need to leave the Club **within 30 minutes after the Brasserie closes**.
- After **8:30pm**, children can only stay if they're at an approved private function or the Duty Manager has given permission.

Functions & Events

To keep things fair and enjoyable for everyone, the Club doesn't host:

- Children's parties
- Baptisms, baby showers, or similar events
- Coming-of-age or 21st birthdays
- Events mainly for under-18s

Behaviour

We kindly ask that parents and carers make sure children are:

- Safe and supervised at all times

- Respectful of other members and guests (e.g. not running through the Club or making loud noise that might disturb others)

Family Facilities

- **Baby changing rooms** are available in the disabled toilets on Level 1 and the Ground Floor.
- Nappy bins are provided for safe and easy disposal.

A Final Note

If the Children Policy isn't being followed, staff may ask the child and their accompanying adult to leave. We really appreciate your understanding — it helps us keep the Club a safe and welcoming place for everyone.
